 2. Pay \$10 entry fee (per hunter) - Please pay entry fee in as timely of manner as possible.
 3. Give your Team name and list of team members to Dustin, David or Kris
- All federal, state and local laws must be adhered to.
- All waterfowl must be taken during legal shooting light on the day of the competition
- Bag limits are to be the lesser of the Kansas SE Zone or where ever you are hunting (if hunting elsewhere)
- Teams shall be no more than 3 hunters.
- You are not allowed to hunt with people who are not on your team. All birds that you check in must without doubt be harvested by your team.
- In order for bands to be counted towards points, the band must be called in, in the presence of a score judge at the score meeting. Or proof from the banding agency must be given that the band was reported on the day of the competition.
- Team members must be present at the scoring check-in in order for their birds to be scored.
- While you are allowed to breast out your birds before the scoring check in, please leave identifying wing/back/head feathers on the carcass.
- Any hunter not checked in to the scoring check in by 6:45pm will be disqualified from the contest. Birds they harvested may not count to any team score, however they are welcome to claim any door prizes they might win.
- If any teams or individuals are found to have broke the rules, this is to be brought to the score judges to be handled on a case-by-case basis
- Don't cheat, be ethical.
- Must be present to claim all non-featured raffle prizes or have arranged for someone to claim them on your behalf. (If you purchased online raffle tickets you do not need to be present for those items.)
- For any accommodations to the rules, contestants must contact us beforehand. No accommodations will be given that give advantage to any team.
